

Goals (Bible / Prayer / Scripture Memory)

The best way to grow spiritually is to be in God's Word, connect with Him in prayer, and take His word with us through memorizing verses. By setting spiritual goals, you can track your progress and growth.

Set a goal for Bible Reading (B), for Prayer (P), and for Scripture Memorization (M). To track your progress, you can keep a note on your smart phone or mark the calendar on the reverse side.

- On days when you meet your goal, use an upper-case B, P, and M.
- On days you exercise a spiritual discipline but don't meet your goal, use a lower-case b, p, or m.
- On days when you do not practice one of the spiritual disciplines, leave that letter blank (i.e. Bp_).

Bible Reading Goal: _____

Prayer Goal: _____

Scripture Memorization Goal: _____
